

INFORMATION ON THE MINISTERIAL STUDY PROGRAM (MSP) ON CMALLIANCEU

What is CMAllianceU?

CMAllianceU is a learning portal for the Alliance family and its leaders. It provides a “one-stop” gateway for information, registration, payment, course delivery, and record-keeping for a variety of training and learning opportunities.

How do I create an account on CMAllianceU?

If you were previously a user on www.disciplesandleaders.com, you will receive an email with your new username and a temporary password. This assigned account is linked to your information from the disciplesandleaders site.

If you were not a user on the disciplesandleaders site, you can create a user account simply by clicking the “sign-up” link on the front page of CMAllianceU and completing the short form. You’ll receive an email to confirm (“authenticate”) your identity, and you are in!

How do I register for new courses on CMAllianceU?

When you complete your current course and are ready to enroll in the next one, you register and pay right on the CMAllianceU site. Simply go to **Programs>Ministerial Study Program (MSP)** and choose your next course. Then click the **Enroll Now** button course and follow the prompts to register and pay for your course. You’ll have instant access, so there’s no delay or waiting. It really is that easy!

What are the two special links on my dashboard page?

As a benefit to your study in the MSP program, you now have an @CMAllianceu.org email address. You also have a link to your own personal subscription to Microsoft’s Office 365, which you can install on up to 5 different devices. It’s yours to use as long as you are a student in the MSP!

What is the cost of MSP courses on CMAllianceU?

For several years, we have kept the per-course prices in the MSP at the same level. In order to provide the added benefits, convenience, and networking of the new site, we are also required to adjust the cost of courses. The new tuition cost for most courses is \$175.00; the “Alliance Family” courses (MSP203, MSP204, and MSP304) that are taken in 10-week cohort groups are still available for \$100.00 each. That still makes the total cost of the MSP (including tuition, textbooks, and application fee) less than \$3,000.00!
